Striving to end hunger on the South Side of Saint Louis with Dignity, Compassion and Respect

Fall 2023/WINTER 2024

As Thanksgiving approaches, we have so much to be thankful for and so many people to thank, that we are struggling to make it all fit on these pages!

-First, we are thankful to everyone who answered our call to fill our shelves when our food supply was at an all-time low. We were the recipients of several food drives and many individual donations of food, including Thanksgiving turkeys. We also received many monetary donations that allowed us to buy food. Our shelves are full for the holidays! We also want to thank all who helped with a very successful "Shop out Hunger Day" which was organized by Operation Food Search and co-sponsored by our local grocery stores.

-Thanks to your generosity, we gave out 6 new air conditioners and 8 used air conditioners this summer in addition to 35 box fans!

-We are most grateful to all who contributed to the annual diaper drive, which yielded over 20,000 diapers!

-The fall school supply and coat drives were also a huge success.

-We also want to thank all those who contributed treats or helped at Trunk or Treat on Halloween.

-Thank you to everyone who taught a class for the Christmas program and adopted a Christmas family. This year we were able to adopt 62 families for Christmas!

All the "thank you" notes above are for our special events, so we additionally need to thank all of our volunteers who come every week for pantry, to drive and unload trucks, sort donation's, make home deliveries, answer the phone, fill out reports, spreadsheets and so much more-you all have our most sincere gratitude!

We wish you a blessed Christmas and a Happy New Year!
