

St. Anthony's Food Pantry

Striving To End Hunger in South St. Louis with Dignity, Compassion, and Respect.

Newsletter

Summer 2024

Hello Dear friends of the pantry,

Having just celebrated Pentecost I am astonished by the transforming power of the Holy Spirit here at St. Anthony Food Pantry!

For those of you who are open to prayer, please take a moment right now, before you read further, to pray, "Come Holy Spirit". If you do not wish to pray, please be open to the possibilities of wonderful transformation as you encounter this message.

We are about to embark on a grand transformation of the pantry. Keep reading for a diagram of our upcoming plans for a total remodel of our space, which will include many exciting upgrades. We are so very grateful to the many contributors whose gifts have allowed us to start our remodel project! However, more help is needed to finish the project. As always we appreciate your kind support, whether financial, labor, intellectual or prayer.

Spring brings many student volunteers to the pantry. These kids and their advisors worked their hearts out doing everything from unloading trucks to cleaning, to giving out food, to tending the tomatoes. Here are a few pictures to bring you up to date on spring happenings at the pantry.

***With Love,
Sister Marie, Rob, & Brother Tom***

Youth volunteers planting tomatoes in the garden earlier this spring. We can't wait to give them out!

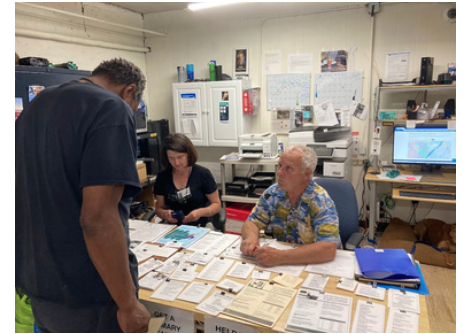

Students giving the entrance ramp a much needed power washing!

Our dedicated volunteers are filling boxes of food

2,000 families served from January- April!

We are so grateful to all parishes and service organizations who continue to host food drives for us! Our monthly supply of food from the St. Louis Area Foodbank has not returned to pre-covid levels. Every donated food item reduces the amount of money we need to spend buying food.

Check Out The Design Plans

Here are plans for a total remodel of our space, which will include: new electrical service, central HVAC, a freight door, centralized warehouse storage space and hopefully, client choice shopping, which will our guests the dignified experience of picking their own groceries.

We are so very grateful to those of you who have contributed in so many ways, which has allowed us to start to remodel. More help is needed to finish the project.
